

Hi everyone. My name is Chris Roy. I am your child's physical education teacher. I am sorry I can't be there in person to greet you tonight, but my son(Matthew) has open house tonight as well. Thankfully, here at Smith, we have an amazing leader in Mrs. Mara who agrees that family comes first. I originally had hoped to speak to you all about Project Adventure and Student Council.

**Project adventure** is this Thursday. It's an amazing day of community building and risk taking. Your children will remember this field trip for a long time! Just a reminder to send in your money. If you received a personalized reminder, that means we did not get a payment from you when we organized all the forms from last spring and summer. Another reminder to send in the notice telling us who your child is being picked up by that day- we return to Smith at 3:15. If you no longer have this form, it can be found on my website...

**smithschoolpe.weebly.com**. Click on the Project Adventure link, then click on the Project Adventure 2016 Reminder button.

**Student Council** involves all grade 5 students. Your child is expected to participate in various committee's during the year. They will sign up for the committee(s) they would like to participate in. Example of previous year's committee's are Recycling, Toys for Tots, Operation Troop Support, Danvers Food Pantry, and Walk for Hospice. A full list of committee's can be found on my website(**smithschoolpe.weebly.com**) under Student Council.

I look forward to an amazing year with you children. I am easily accessibly via email a [chrisroy@danvers.org](mailto:chrisroy@danvers.org), please don't hesitate to contact me. Also, did I mention I have a website??? Check it out at **smithschoolpe.weebly.com**.

Thank you,

Chris Roy,  
Physical Education Teacher  
Smith Elementary School
